Dear Student Athletes and Families,

There are still many unknowns in the battle against the rapid spread of COVID-19 and the future of spring rodeos for the CSHSRA and the CJHRA. The Board of Directors acknowledge that it is difficult to be stuck in this holding pattern, but we are listening closely for new developments, working to make the right decisions and get information to you as soon as possible.

Until local, state and federal restrictions are lifted there is no way for our rodeo committees to move forward with rescheduling spring rodeos. Until that time, be vigilant in keeping yourself and your family safe and healthy.

The best way to prevent illness is to avoid being exposed.

- Wash your hands frequently
- Cover your cough or sneeze
- Don't touch your eyes, nose and mouth
- Keep a safe distance from others
- Stay home if you can
- Clean and disinfect frequently touched surfaces
